

Queue Associates, Inc. Honored in the 2010 Microsoft Partner Awards as Microsoft Dynamics SL Partner of the Year

New York, NY, USA — June 23, 2010 — Today, Queue Associates, Inc. proudly announced it is a Microsoft Partner Awards winner as Microsoft Dynamics SL Partner of the Year. The company was chosen out of an international field of top Microsoft partners as delivering market-leading customer solutions built on Microsoft technology.

"Being selected by Microsoft as the 2010 Microsoft Partner of the Year reinforces our commitment to delivering superior solutions to our domestic and international clients," said Jeffrey Goldstein, President of Queue Associates. "We are appreciative for this recognition and see it as an impetus to further enhance our software solutions for domestic and international project-focused companies."

Awards will be presented in a number of categories, with winners chosen from a pool of almost 3,000 entrants worldwide. Queue Associates, Inc. was recognized for superior technology and innovation in Microsoft Dynamics SL Partner of the Year. The Microsoft Dynamics SL Partner of the Year Award honors partners who have exhibited excellence in providing innovative and unique solutions based on Microsoft Dynamics SL. This award recognizes **Queue Associates, Inc.** for demonstrating consistent, high-quality, predictable service to Microsoft Dynamics customers that help to ensure significant business benefits for their customers.

Queue Associates has been working with the Microsoft Dynamics Solutions for over 15 years. Queue has been honored with the Microsoft Dynamics SL Partner of the Year award previously in 2004 and has been named to Microsoft's President's club over 10 times. This long standing relationship with Microsoft has allowed Queue Associates to flourish and become the largest Microsoft Dynamics practice in the New York Metro area. As a result of this recognition, Queue Associates has launched a new webpage, www.microsoftbyq.com dedicated to the winning solution.

"Microsoft is proud to recognize Queue Associates with their Q Project Central solution as the Microsoft Dynamics SL Partner of the Year," said Doug Kennedy, vice president, Dynamics Partners, Microsoft Corp. "Queue Associates' Professional Services industry-focused approach serves the needs of Microsoft Dynamics SL customers that require global capabilities. Q Project Central allows customers to share projects, resources, budgets, rates, and accounting functionalities across global offices and multiple currencies. By delivering a solution to a specific market, Queue Associates has an outstanding client growth and retention rate."

The Microsoft Partner Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the last year.

Queue Associates, Inc. is a professional services organization, focused on providing the Microsoft Dynamics solutions to international and domestic organizations. These solutions include accounting and finance, project accounting, financial reporting, internet-enabled enterprise resource planning (ERP), sales force automation (SFA), and customer relationship management (CRM) systems. Queue utilizes the Microsoft Sure Step Methodology to perform the following services: diagnostic, analysis, design, development, deployment, operation and optimization. Queue's uniquely thorough Business Process Review, conducted by CPA's and MBA's, ensures that recommended solutions meet clients' current and long-term requirements.
